About

Having experience as a military and martial artist, I am disciplined and motivated. I always try to pursue my goals and complete them in the best possible way, whether easy or difficult I have resilience and determination. Architecture enchants me and allows me to put dreams on paper and be a tool in people's lives for this. I believe the mixture and balance between art and logic in architecture make it sensational and worthwhile.

Volunteering

TEACHING ASSISTANT

University of Brasilia

- Supported 35 students as a teaching assistant in the Department of Architecture in the field of Water & Sanitary.

VOLUNTEER

Capital Baptist Church

- Designed and built scenery for plays, also designed assembly and quality spaces up to 500 occupants.
- Assembly and general organization for services and celebrations.
- Small group leader.

LightHouse for the Blind

- Support events for the visually impaired, such as on Polling Day, Covid Vaccine Booster, and the Halloween festival.
- Support the visually impaired in activities such as walking around the city, visiting sights, finding places for meals, and shopping.

Ju-Jitsu - Martial Arts

- Taught martial arts to 130 children and adults in a needy school over a period of three years.
